"I sleep better thanks
to my daily Tread-
Wheel workouts".
- Dutch

GoPet TreadWheels are an
excellent source of exercise
for all dogs.

- Dog powered – no electricity needed
- Free, off-leash exercise so that your dog can run at its own, natural pace
- Dog can use the TreadWheel at any time - even while home alone
- A physical outlet for energetic dogs
- A great source of exercise for overweight dogs
- Allows your dog to exercise even when the weather doesn't permit
- Perfect for owners who do not have the running space dogs require

"I can go for a walk
on my own, anytime
I want". - Vinny
